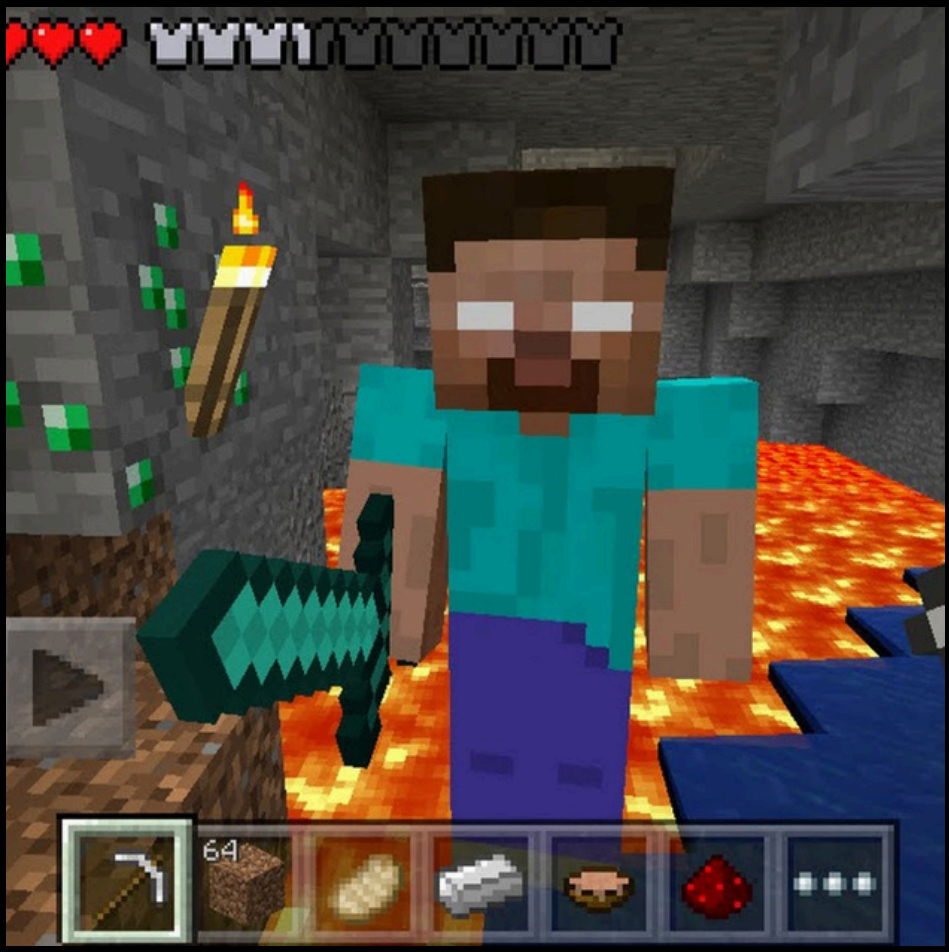
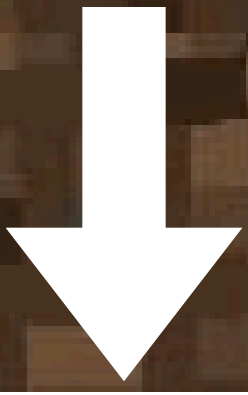
The book about minecraft!!!

by - catboygaming14



im sure you have heard about a game called “Minecraft”
lets do it in a step by step process
this book is gonna teach you how to survive in a survival world

to learn how to craft any items/blocks/food and more stuff then visit the following website shown below



mccrafting.net
https://mccrafting.net

step 1

start off by cutting down a tree (remember: you dont need tools just use your bare hands)

step 2

collect some dirt for building a starter house by breaking some ~~dirt blocks~~

pro tip:

when you break a grass block it automatically turns into a dirt block in your inventory

step 3

make a house using dirt, also make a crafting table and a door

You can add more things later such as: bed, torches

step 4

craft all of the tools shown below using some wood (You have to use the crafting table, crafting inside the inventory is limited

step 5

ALERT AND BEWARE:HOSTILE MOBS SPAWN AT NIGHT

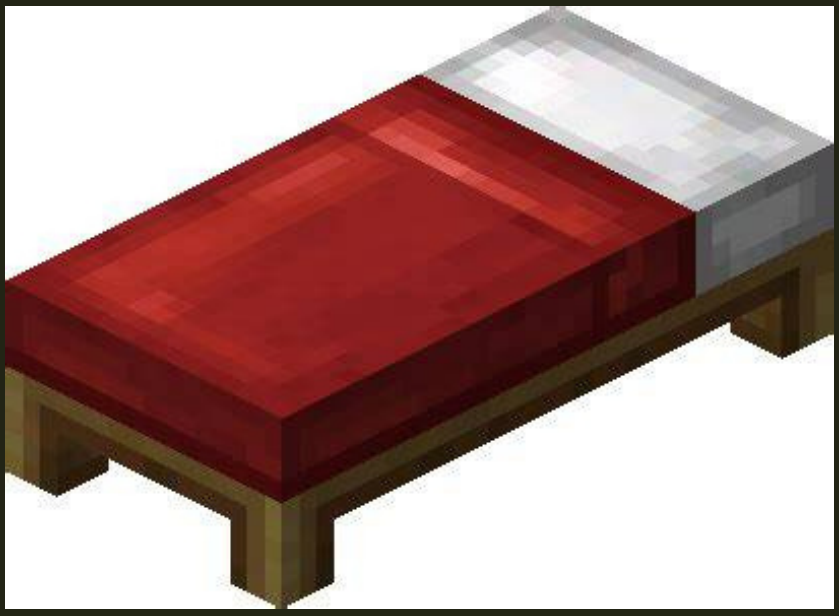
Use a sword(even an axe) to fight hostile mobs

step 6

Remember: food is really important or else you will run out of hunger and die ☢☢☢☢

step 7

at last craft a bed to sleep



and you’re done with the guide

Goodbye!
build and survive in your very own WORLD 😆😆
